Dear Dean Griswold:

The journals to which I referred in my letter of 21 April are indeed those of the Institute of US Studies.

I am having the 35 copies I mentioned delivered to your Connecticut Avenue address. You should certainly feel free to retain any or all of these volumes.

In addition, I am enclosing copies of the Tables of Contents of the 29 volumes that were published from January 1970-May 1972. We have only record copies of these issues; but if any of the articles are of interest to you, please let me know and I will be happy to have them reproduced and sent to you.

Sincerely,

[Redacted Signature]

Edward W. Proctor  
Deputy Director for Intelligence

Mr. Edward W. Proctor  
Deputy Director for Intelligence  
Central Intelligence Agency

Dear Mr. Proctor,

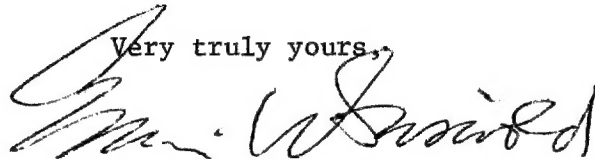

Thank you for your letter of April 21st, relating to the Soviet monthly journal U.S.A.

If this is the journal put out by the Institute of U.S. Studies (now the Institute of U.S. and Canadian Studies) I want very much to see the copies which you have available. If you wish, I can return them to you after I have had a chance to examine them.

The issues should be addressed to me at Room 1200, 1100 Connecticut Avenue, N.W., Washington, D.C. 20036.

Thank you very much for your help on this.

Very truly yours,

Erwin N. Griswold
